Dingwall offers a wide variety of facilities including national supermarkets, independent shops, hotels, banks, restaurants and pubs. The town benefits from regular bus and train services to both north and south and Inverness is within easy commuting distance.

This first floor flat is conveniently situated within a few minutes walking distance of the town centre, the leisure centre with swimming pool and schools. There is a small supermarket and take-away which services the immediate area. There are bus stops nearby.

The flat benefits from double glazing and electric heating. There is an allocated parking space. Entrance is via a shared security entrance system. There is a factoring fee of approximately £25.00 per month which covers cleaning, building repairs and grounds.

The property is of non traditional construction, it is understood that it was upgraded in the mid 1980's under the supervision of Architects and by structural engineers. This has enabled the property to become mortgageable, but to a limited number of lenders only. The flat would provide an excellent buy to let opportunity or first time purchase.
