Ground floor flat in Invergordon town centre which is within easy walking distance of the shops and amenities. Situated in Easter Ross, the town has an attractive High Street which has been upgraded to make it more pedestrian-friendly. There are National Supermarkets, a chemist, Post Office and a variety of small independent shops. There is also a Leisure Centre, with a swimming pool and an 18-hole golf course with wonderful views over the Cromarty Firth. There are regular bus and rail services to both North and South.

There is a shared entrance hall leading to the front door of the flat. On entering the property the layout is straightforward, a hallway leads up to the living room at the rear which benefits from patio doors maximizing the natural light and giving easy access to the shared garden. The living room and kitchen are open plan and the kitchen area is large, has ample cupboard space and a breakfast bar. The bedroom is located towards the back of the property and is a reasonable size. There is an internal shower room and additional cupboard space in the hall. The flat will need some work to bring it up to a more contemporary standard. Updating the flooring, painting, and installing modern fixtures could quickly make this property feel fresh. It's a good opportunity for a first time buyer or a buy to let in a convenient and central location.

Directions: Follow the High Street to the end, the flat is the second building on the left past the Munro Street turning.
