This site provides an opportunity to acquire a building plot for the erection of a dwelling within a small development in the popular seaside village of Gairloch.

The site is at the end of a short cul de sac in a quiet and attractive setting alongside the Abhainn a Mhuilinn burn. It covers an area of about 1200 m² (0.12 hectares) and is level undeveloped scrub land, with small trees and self-seeded vegetation.

The plot was part of a former croft which was granted planning permission for seven. building plots of which five have been built on. Planning permission, which has now lapsed, was previously granted for a three-bedroom dwelling on this plot.

There is a connection to mains drainage on the site and all other services are available nearby in the adopted road serving the site.

LOCATION

The plot is within the village and close to all amenities. These include convenience stores, a doctors' surgery, shops (a new supermarket is due to commence construction in 2025), a community hall, post office, pharmacy, restaurants, leisure centre, museum and a golf course.

This plot falls into the catchment area of Gairloch Primary School and Gairloch High School. Both schools are located within walking distance, less than a mile from the plot.

Gairloch is on the North coast 500 route and the local area is a popular destination for both visitors and locals looking to enjoy the magnificent west coast, mountains and highland scenery, with many walking routes and outdoor activities. Inverness is located approximately 70 miles from Gairloch and Poolewe, with the famous Inverewe Gardens, is about 6 miles to the north.
